40+

YEARS OF EXCELLENCE IN VALVE MANUFACTURING

Company Profile

Phoenix ValSteer Pvt Ltd was founded by **Thulaseedharan TK**, a veteran in the valve industry with **over four decades of experience**. After identifying a crucial gap in the market for precision-engineered valves that excel under pressure, Thulaseedharan launched Phoenix ValSteer with a mission to deliver top-quality industrial valves that meet the highest standards of performance and reliability.

Based in **Ahmedabad, the industrial hub of India**, Phoenix ValSteer specializes in the manufacturing of a wide range of industrial valves, including **Gate, Globe, Check, Ball, Butterfly, And Knife Gate Valves**. Our products are engineered with top-grade materials and cutting-edge technology, ensuring that they meet the specific needs of our clients across various industries.

Joining Thulaseedharan in this venture is **Suthi Thulaseedharan Paniker**, an experienced **Instrumentation and Control Engineer** with an **MBA from Toronto, Canada**. Suthi brings strategic expertise in planning and marketing, honed during their leadership at Ashwathi Controls Pvt Ltd, to Phoenix ValSteer. Together, they are committed to redefining quality in the Global Valve Industry.

Phoenix ValSteer is dedicated to providing **innovative, reliable, and efficient valve solutions** that keep your operations running smoothly, no matter the challenge.
